Luke 11:20

Prayer to Destroy Evil Altars

- In the Name of Jesus, I go back in my bloodline on my Father and Mother's side to every evil altar that has been set up—specifically the Altars of Witchcraft, Death, Lust, and Jezebel (and any others the Lord reveals).

- I RENOUNCE every covenant, oath, agreement, contract, and all hidden documents that are on this altar. I come out of agreement with them. I RENOUNCE all blood covenants.

- I REPENT of all sacrifices done at these altars, human or animal. I repent of any drinking of blood done at these altars to gain power. I repent of my sins in keeping these altars going.

- I take the Sword of the Lord and SEVER every demon attending these altars that has been working in my life.

- In the Name of Jesus, I pull up from the ROOT the curse of____. I pull it up from the ROOT. I declare this curse is BROKEN in Jesus' Name.

- I destroy every evil altar by FIRE. I send FIRE on each of these altars. I smash and destroy them In the Name of Jesus.

- I REPLACE every evil altar with Godly altars, where the angels of God can ascend and descend. I REDEEM my bloodline with the Blood of Jesus.
